ORCID: https://orcid.org/0009-0001-9201-5263

Research Profile

Research experience in both quantitative and theoretical approaches within the field of Social Sciences. Experience in publishing scientific articles in English-language journals and in communicating research results through numerous national and international conferences.

Professional Experience

- R&D Project Manager (February 2026 – Present), Rey Juan Carlos University.

Responsible for the technical, administrative, and organizational management of the competitive research projects EIECS (Business Strategy and Innovation for Sustainable Growth) and IAxEM (Augmented Intelligence in Mathematics Education through Modelling, Automated Reasoning, and Artificial Intelligence), within the framework of the PHS-2024 call funded by the Community of Madrid. Ensures proper scientific implementation, operational coordination, and full compliance with the administrative and financial requirements established by the funding authority.

Education

- PhD Candidate in Political Science, Public Administration and International Relations (October 2022 – present), Complutense University of Madrid, Spain.
- MSc in Sustainability and Corporate Social Responsibility (2026–present), National University of Distance Education (UNED) & Universitat Jaume I (UJI), Spain.
- MSc in Political Analysis (July 2022), Complutense University of Madrid, Spain.
- BSc in Political Science (July 2021), Carlos III University of Madrid, Spain.

Research Stays and Additional Training

- Erasmus+ Staff Mobility for Training, Fridtjof Nansen Institute – FNI (Lysaker, Norway), 19–23 October 2026. Host: Siddharth Sareen, Research Professor. Attended the INDE-LO-CARB workshop (FNI – Université de Reims Champagne-Ardenne) on industrial clusters in the energy transition, including a technical visit to the Hafslund Celsio carbon capture plant (Klemetsrud), and job shadowing on research management and the preparation of European funding proposals.
- Research stay, Babeș-Bolyai University, Faculty of European Studies (Cluj-Napoca, Romania), April 2024 – November 2024.
- Erasmus+ Internship, Paris 1 Panthéon-Sorbonne University, Institute of Legal and Philosophical Sciences of the Sorbonne (Paris, France), June 2023.

- Summer School: "SHiFT YRC Summer School 2026 – Research Skills and Professional Development Training", Politecnico di Torino, Turin (Italy), 15–17 July 2026 (career paths, transferable skills, funding proposal writing, and job-search strategies).
- Course: "AI Tools for Accelerating Research", Rey Juan Carlos University, Spain (URJCx, June 2026, 4 hours; AI-assisted literature review, citation network analysis, and academic writing).
- Course: "Political Advising to Governments and Public Administrations: Chiefs of Staff", Complutense University of Madrid, Spain (February 2022).
- Course: "The European Union as a Political System", University of Antwerp, Belgium (YUFE Exchange Programme, 2020–2021).
